# Ailis Risk Premia Equity

Sub-fund of Ailis SICAV  
Class I (ISIN LU1640502545)

Management Company: Fideuram Asset Management (Ireland) dac, Intesa Sanpaolo banking group

## OBJECTIVES AND INVESTMENT POLICY

The Sub-Fund, expressed in Euro, aims to achieve a long-term positive absolute return for investors regardless of market movements. The Sub-Fund seeks to achieve its investment objective through the globally exposure to a range of Risk Premia, across multiple asset classes. Risk Premia exist due to systematic risks and behavioral patterns in financial markets, and may be exploited to provide returns with low correlation to traditional markets. However, a positive performance is not guaranteed and while the Sub-Fund aims to achieve positive returns in all market conditions, it may not always achieve this objective. The Sub-Fund is focused on the Equity Risk Premia strategy: invests across Risk Premia anomalies (carry, value, momentum and quality) only in equity and equity-related securities and derivatives markets.

The Sub-fund is actively managed.

The Sub-Fund will follow a flexible approach in relation to asset exposure to achieve the investment objective, which at times may result in the Sub-Fund having no exposure to particular asset classes.

The Sub-Fund will invest in: money market instruments, fixed income instruments, equity, derivative instruments, listed or OTC - for investment, hedging and financing purposes - including (without being limited to), total return swaps, interest rate swaps, credit default swaps, forward foreign exchange, equity futures, bond futures, index futures and options on financial derivative instruments.

The Exposure will be achieved mainly through unfunded TRS on indices.

In addition, the Sub-Fund may also gain exposure indirectly to indices through ETF and UCITS.

The Sub-Fund may be suitable for investors with a long-term investment horizon.

The Sub-Fund is not managed in reference to a benchmark.

This Sub-Fund has one Unit-Class: Class I.

I is capitalization Unit-Class.

You may request to redeem the units held at any moment, by sending a request on any business day.
