# Willer Absolute Return

Sub-Fund of Willerfunds

Class I-CHF (ISIN LU1155042580) / Class P-CHF. (ISIN LU1155042317)

Management Company: Fideuram Asset Management (Ireland) dac, Intesa Sanpaolo banking group

## OBJECTIVES AND INVESTMENT POLICY

The Sub-Fund, expressed in Euro, invests all of its Net Asset Value in the units of UCITS or other UCIs that comply with legal requirements and pursue investment strategies aimed at a positive absolute return. The currency risk between the underlying investments and the Sub-fund's currency is systematically hedged ("currency hedging"). The Sub-fund may be fully invested in Cash where the Investment Manager believes that market circumstances require it, in order to protect the interests of the Unit Holders. The Sub-fund does not fall within the scope of the regulation (UE) 2017/1131 on money market funds.

The Sub-fund is actively managed. The Sub-Fund is not managed in reference to a benchmark.

P and I are capitalization Unit-Classes that re-invest all their revenues. Units in the Classes denominated in a currency other than the Reference Currency shall be hedged against the Sub-Fund's Reference Currency. You may request to redeem the units held at any moment, by sending a request on any business day.
