# WILLERFUNDS – PRIVATE SUITE – SCHRODER GLOBAL CLIMATE CHANGE

Sub-Fund of Willerfunds  
Class I (ISIN LU2401051797)

Management Company: Fideuram Asset Management (Ireland) dac, Intesa Sanpaolo banking group

## OBJECTIVES AND INVESTMENT POLICY

The Sub-Fund, expressed in Euro, aims to achieve long-term capital growth by investing primarily in equity securities issued by companies that are currently aligned to the Paris Climate Goals or have ambitious global targets to meet them. The Sub-Fund will seek to achieve its investment objective by investing in a diversified portfolio consisting primarily of equity and equity related securities listed on a stock exchange or dealt in any regulated market worldwide, including in depositary receipts (such as ADRs, GDRs and EDRs).

The Sub-Fund will not have any restrictions in selecting securities in terms of geography, industry or sectors.

This Sub-Fund pursues a strategy that aims to be positioned as a Paris-aligned global equity portfolio by investing in companies that have ambitious targets to decarbonize, consistent with achieving a 1.5 degree scenario under the Paris Agreement on climate change or better

The investment process integrates ESG criteria based on proprietary research to evaluate investment risks and opportunities. When selecting the Sub-Fund's investments, the ESG characteristics of issuers are taken into account to increase or decrease the target weight of securities in the Sub-Fund's portfolio.

The Sub-Fund does not directly invest in certain activities, industries or groups of issuers above the limits listed under "Sustainability Information" on the Investment Manager's webpage, accessed via [www.schroders.com/en/lu/private-investor/gfc](http://www.schroders.com/en/lu/private-investor/gfc).

The Sub-Fund invests in companies that have good governance practices, as determined by the Investment Manager's rating criteria. The Investment Manager may also engage with companies held by the Sub-Fund to challenge identified areas of weakness on sustainability issues.

More details on the Investment Manager's approach to sustainability and its engagement with companies are available on the website [www.schroders.com/en/lu/private-investor/strategic-capabilities/sustainability/disclosures](http://www.schroders.com/en/lu/private-investor/strategic-capabilities/sustainability/disclosures).

Although there are no particular geographic investment limits, the Sub-Fund may invest no more than 50% of its net asset value in instruments issued by entities located in emerging markets and such investments could be significantly lower depending on investment opportunities.

The Sub-Fund may invest up to 15% of its net assets in China A-Shares via the Shanghai-Hong Kong Stock Connect program.

The Sub-Fund may invest without limitation in securities denominated in currencies other than the Reference Currency (EURO). The currency exposure of the Sub-Fund is flexibly managed.

The Sub-Fund exposure to the equity and equity related securities is achieved through direct investments.

Any indirect exposure via units/shares of UCITS and/or other UCIs, including UCITS ETFs will not exceed 10% of the Sub-Fund's net assets.

The Sub-Fund may also buy money-market instruments and hold cash up to 10% of its net assets.

The Sub-Fund may use financial derivative instruments for the purpose of risk hedging.

At inception of the Sub-Fund and for a period of maximum 6 months, the above described investment policy can be pursued by investing part or all of the Sub-Fund's assets in UCITS (including ETF) with similar universe. The Sub-Fund is actively managed. The Sub-Fund is not managed in reference to a benchmark.

The Sub-Fund has been categorised as an ESG Promotion Strategy Sub-Fund, as promoting, among other characteristics, environmental and social characteristics, which are a binding component for the assets selection and investment decision-making process, and the companies in which the Sub-Fund shall invest in need to follow good governance practices, in accordance with article 8 of the SFDR.

I is a capitalization unit class that reinvests all revenues.

You may request to redeem the units held at any moment, by sending a request on any business day.

## RISK AND REWARD PROFILE

Lower risk  
Potential lower  
reward

Higher risk  
Potential higher  
reward

- This Sub-Fund is classified in the risk and reward category 6 because the investments value can be subject to high daily variation, both positive and negative.
- The historical data such as is used to calculate the synthetic risk and reward indicator may not be a reliable indication for the future risk profile of the Sub-Fund.
- The risk and reward category shown is not guaranteed to remain unchanged and the categorization of the Sub-Fund may shift over time.
- Even the lowest risk category does not mean a risk-free investment.

### THE SYNTHETIC RISK AND REWARD INDICATOR DOES NOT ADEQUATELY CAPTURE THE FOLLOWING RISKS:

- **Developing market risk:** The Sub-Fund is exposed to securities highly sensitive to political and economic instability of developing countries such as

civil conflicts, changes in government policies and in taxation, currency fluctuations and other developments in the laws and regulations of countries in which investments may be made. Price changes may be higher than those in the markets of developed countries

- **China Risk:** Investing in the People's Republic of China (PRC) is subject to the risks of investing in emerging markets and additional risks, which are specific to the PRC market. In case of investment in China A shares and/or in debt securities issued by Mainland China issuers, where securities are held in custody on a cross-border basis, there are specific legal/beneficial ownership risks linked to compulsory requirements of the local central securities depositories
- **ESG risk:** the integration in the investment process of ESG and sustainability factors with wider monitoring and engagement activities, may have an impact on the value of investments and, therefore, on returns.

## CHARGES

These fees and charges are used to pay the costs of running the Sub-Fund, including the costs of marketing and selling. They reduce the potential growth of your investment.

One-off charges taken before or after the investment	
Entry fee	2.00 %
Exit fee	0.00 %

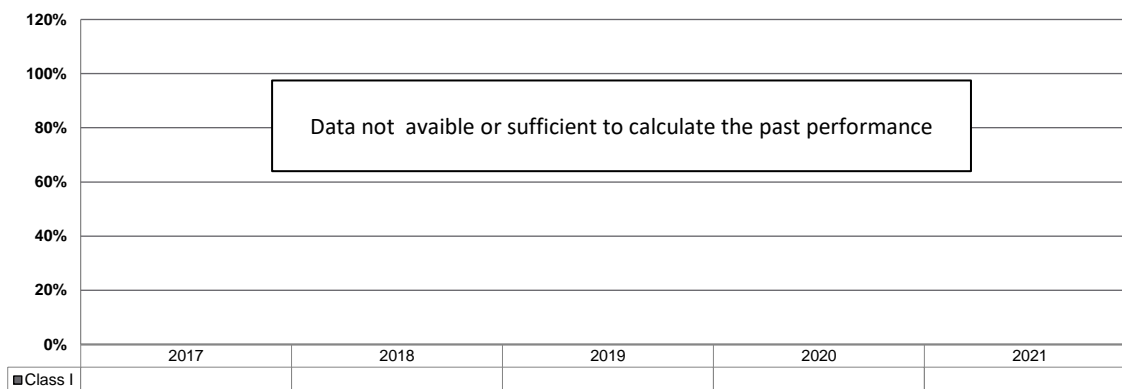

Maximum percentage that can be withdrawn from your capital before it will be invested or before the return is distributed.

	Ongoing charges Charges taken from the Sub-Fund over a year	Performance fee Charges taken from the Sub-Fund under certain specific conditions
Class I	1.15%	0.00 %

The **entry** and **exit fees** shown in the chart are maximum figures in some cases you might pay less. You can find this out from your financial adviser or from the distributors. The **ongoing charges** figure is based on an estimation. This figure may vary from year to year. It excludes performance fees and portfolio transaction costs, except in the case of an entry/exit fee paid by the Sub-Fund when buying or selling unit.

For more information about charges and fees, including the information of the calculation criteria of the performance fees, please see section "Charges" of the Fund's Prospectus, available on the website [www.fideuramireland.ie](http://www.fideuramireland.ie) and [www.willershands.com](http://www.willershands.com).
