Competent Authority: Fideuram Asset Management (Ireland) dac is authorised in Ireland and regulated by Central Bank of Ireland as a Management Company as defined in Article 2(1), point (b), of Directive 2009/65/EC. This PRIIP is a Luxembourg UCITS managed by Fideuram Asset Management (Ireland) dac under the freedom to provide services in Luxembourg in accordance with Article 16 of Directive 2009/65/EC.

This key information document is valid as at 2026-10-30.

WHAT IS THE PRODUCT?

Type:
Umbrella investment company with variable capital (société d'investissement à capital variable) incorporated as a public limited company (société anonyme) in the Grand Duchy of Luxembourg, qualifying as an undertaking for collective investment in transferable securities (UCITS) under Part I of the Luxembourg Law dated December 17, 2010.

Term:
This sub-fund is not subject to any fixed term. The SICAV's liquidation shall be decided by the general meeting of shareholders, in accordance with the applicable law and the Articles of Incorporation. The Company may also enter into liquidation by judicial decision according to the Law of December 17, 2010. The Board of Directors may decide to liquidate the Sub-Fund in case of extraordinary events such as changes in the political, economical or monetary situation or when the net asset of the Sub-Fund is less than a minimum level for the Sub-Fund to be operated in an economically efficient manner, as further described in the Prospectus.

Objectives:
The D-X S&P Dividend Aristocrats Secular Income UCITS ETF Sub-fund, measured in Euro, is passively managed and aims to track the performance of the benchmark of the Sub-fund which is the S&P 500 Dividend Aristocrats 7% Premium Weekly Covered Call 7% Distributed Yield Index Net Total Return in EUR, and to minimize the tracking error between the net asset value of the Sub-fund and the performance of the Index.
The Index is comprised of two parts: a long position on all the equity securities in the S&P 500 Dividend Aristocrats Index and a Short (written) call options on up to 100% of the S&P 500 Index. The Index is calculated and published by S&P Global, acting as benchmark administrator (the "Index Administrator"). The Index methodology, composition, revision rules and additional information on the constituents are available on https://www.spglobal.com/spdji/en/.
In order to achieve its investment objective, the Sub-fund invests its net assets in any of the following assets:
- Swaps (each swap being an agreement between the Investment Manager on behalf of the Sub-Fund and an Approved Counterparty (as defined below)) to exchange one stream of cash flow against another stream pursuant to a master agreement in accordance with the requirements of the International Swaps and Derivatives Association, and such swaps will be funded, unfunded or total return swaps ("Swaps"). The purpose of the Swaps shall be to gain indirect long exposure to the S&P 500 Dividend Aristocrats 7% Premium Weekly Covered Call 7% Distributed Yield Index Net Total Return in EUR .
- A diversified portfolio of investment grade developed market government notes and bonds.
- Currency forwards for currency hedging purposes.
- Commercial papers and certificates of deposit.
- up to 10% of its net assets in UCITS money market funds

The Sub-fund may use financial derivative instruments for the purpose of investment, currency risk hedging. The Sub-fund may invest in derivative instruments which may include but are not limited to exchange traded and over-the-counter options, futures, spot and forward contracts, and currency forward.
The holding of ancillary liquid assets (cash and deposits at sight (such as cash held in current accounts)) is limited to 20% of the net assets of the Sub-fund. Under exceptionally unfavorable market conditions and on a temporary basis, this limit may be increased to 100% of its net assets, if justified in the interest of the investors. All investments are made in accordance with the investment restrictions described in the main part of the Prospectus.
The Sub-fund is passively managed and aims to track the performance of the Index via a synthetic replication (i.e. indirect replication), mainly through the use of the Swaps. A desription of factors that are likely to affect the ability of the Sub-fund to track the performance of the Index can be found in the sub-paragraph "Tracking error" of the paragraph 9.2.35 "Risks relating to Strategies and Indices" of the section 9.2 "Risk factors" of the Prospectus.
In normal market conditions, the level of annual Tracking Error for the Sub-fund is expected to be in the 0.50-1.00% range. Investors should be aware that this figure is only an estimate of the ex-ante Tracking Error level in normal market conditions and should not be understood as a strict limit. The expected Tracking Error of the Sub-fund is not a guide to future performance.
This is a distributing class: the net incomes of the Sub-Fund will be distributed in accordance with Prospectus.
Only Authorised Participants may subscribe or redeem ETF Shares directly with the Company in the Primary Market, in accordance with the Prospectus. Persons who are not authorized participants may subscribe or redeem ETF Shares in the Secondary Market in accordance with the Prospectus.

Intended Retail Investor:
The Sub-fund is suitable for investors who look for long term investments.The investor must be able to accept a certain volatility and the possibility of losing a part of the invested amount. This product is for investors who meet the conditions for accessing the product in question (see prospectus) with any level of knowledge and experience. WHAT HAPPENS IF FIDEURAM ASSET MANAGEMENT (IRELAND) DAC IS UNABLE TO PAY OUT?

There is no compensation or guarantees for investors in the event of the insolvency of the Management company. It is specified that each mutual investment fund constitutes an autonomous and separate asset in all respects from the assets of the Management company and from that of each investor as well as from any other assets managed by the same Management company. Furthermore, the Management company is liable exclusively for the obligations contracted on behalf of the sub-fund with the assets of the same fund. On those assets actions by creditors of the Management company or creditors of the depositary or sub-depositary are not permitted. The creditors of individual investors are permitted to take action only on the units/shares held by the individual investors. The Management company may in no case use, in its own interest or in the interest of third parties, the assets belonging to the managed funds.

WHAT ARE THE COSTS?

The person selling or advising this product may charge other costs, in which case this person will provide you with information about these costs, and should show you the impact that all costs will have on your investment over time.

Costs over Time

The tables show the amounts that are taken from your investment to cover different types of costs. These amounts depend on how much you invest, how long you hold the product and how well the product does. The amounts shown here are illustrations based on an example investment amount and different possible investment periods:

We have assumed:

- In the first year you would get back the amount that you invested (0% annual return). For the other holding periods we have assumed the product performs as shown in the moderate scenario.

- EUR 10 000 is invested.

Investment: 10 000 EUR	**If you exit after 1 year**	**If you exit after 5 years**
Total Costs	105 EUR	**705 EUR**
Annual Cost Impact*	1.1%	1.1%

*This illustrates how costs reduce your return each year over the holding period. For example it shows that if you exit at the recommended holding period your average return per year is projected to be 8.2% before costs and 7.1% after costs.

HOW LONG SHOULD I HOLD IT AND CAN I TAKE MY MONEY OUT EARLY?

Recommended minimum holding period: 5 years

The above mentioned period has been defined in accordance to the product characteristics. It is determined on the basis of the sub-fund's risk and reward profile. Your ideal holding period may be different from this minimum recommended holding period. If the holding period is shorter than the recommended minimum, this may have a negative impact on the sub-fund's risk and reward profile. We recommend that you discuss this with your advisor. You may request to redeem the units held at any moment, and on any business day, in accordance with the Prospectus. Any costs are shown under "Composition of costs" above.

HOW CAN I COMPLAIN?

Any complaints must be sent by the investor to Fideuram Asset Management (Ireland) DAC in writing and according to one of the following methods indicated: registered letter with return receipt; e-mail to the address: info@fideuramireland.com. Complaints are considered validly received by the Management Company if they contain at least the following information: identification details of the person submitting the complaint; reasons for the complaint, details of the economic damage; sign-off or other element allowing for the identification of the investor.Complaints can also be sent by the investor to the authorized Distributors in the countries where the units of the sub-fund are distributed.
